Experience

Lead Web Developer

Art Currently

Apr 2022 - Present (7 months +)

What I do:

- Taking an active role in the development projects for the website, both large and small, throughout the various phases of the project life cycle.
- Assessing new initiatives to determine the work effort and estimate the necessary time to completion.
- Leading and mentoring other team members to develop shared best practices and development standards.
- Maintaining existing code and functionality once it is assimilated into the ongoing operations of the Web magazine

Social Media Manager

Art Currently

Apr 2022 - Present (7 months +)

What I do:

- Developing, implementing, and managing Art Currently's social media strategy to align with business goals
- Overseeing social media accounts' design (e.g. Twitter profile cover, profile pictures, and Instagram page layout)
- Suggesting and implementing new features to develop brand awareness, like promotions and competitions
- Staying up-to-date with current technologies and trends in social media, design tools, and applications

Freelance Software Engineer
